

Tourism Related Investment from the Lens of Solomon Ports

Port's contribution towards realizing Solomon Islands tourism potential

- Provide space and encouragement for small vendors selling souvenirs – Wharf Entry Pass Now SBD 100 p/a
- Shelter/tents for vendors
- Enhance passenger safety (placement of new life rings, barricaded walk way etc....)
- Rest room facilities for Cruise passengers (including restroom facilities for disabled passengers)
- Asphalt paving of Dowling street towards Point Cruz and beautification of the street
- Design a dedicated cruise terminal for cruise vessels

Improvements & Investments

- Reliable, friendly Tour operators to sell memorable experiences
- Souvenir shops (local artefacts)
- Cafes, hotels to enjoy local dining experiences
- Information booth for visitors
- Duty free shops
