Valor Tours, Ltd. presents....

Cruise up The Slot - Solomon Islands

October 24 to November 2, 2019

Escorted by Prof. Andy Giles

GUADALCANAL 1942 - 1943

The U.S. offensive of WWII in the Pacific Theater began on August 7th, 1942 when U.S. Marines landed on Guadalcanal, Tulagi and Gavutu to establish a foothold upon enemy held territory. Thus began the Allied Advance on the road to Tokyo.

The Solomon Islands campaign lasted twenty months. It was a violent air, land and sea struggle with a determined enemy. This tour offers WWII history and ceremony with sightseeing among now peaceful and beautiful islands. Walk invasion beaches and airstrips – cruise through harbors once teeming with warships – explore villages and plant memorial trees in the Memorial Park. Relics still abound although the jungle now mostly conceals the wounds of battle.

The archipelago we will sail though is among the most beautiful in the World. Morovo Lagoon alone is considered an “Eighth Wonder”. Today it is difficult to image that such fierce battles swept through these islands. Relics still abound, although the jungle now covers the wounds of battle. Even though our concentration will be on WWII points of interest, the gentle people and their lovely islands will charm you.

Andy Giles looking out over Cape Esperance, Guadalcanal from the deck of the Bilikiki.

Here, on and around these islands, in 1942/43,
The tide of war in the Pacific was turned.
The contest was hard....
The cost was high.... The valor was exemplary.

HEALTH & TRAVEL DOCUMENTATION

Mosquitoes can be a problem on Guadalcanal, but not as much on the vessel as Mosquitoes do not cross the water. Anti-Malaria medication is available from your doctor; however, we find that roll-on insect repellents work very well on exposed skin in the evening and early morning hours when mosquitoes are most prevalent. Also, natural citronella wristbands and ankle bands are very effective and non-toxic, or clip on OFF. We recommend that passengers wear long sleeved shirts and long pants in the evening hours when ashore. We also recommend that all passengers get tetanus and hepatitis inoculations. Check with your doctor. For those prone to seasickness bring some Dramamine. We will spend most of the time in sheltered water, but between the Russell Islands and the New Georgia Islands we will be in open waters, which can be a bit choppy, depending on the weather. You will need a passport valid six months beyond date of travel. Visas for U.S. citizens are not required.

WHAT TO BRING

Casual clothes such as shorts, bathing suit, wash n'wear, loose fitting clothing, comfortable walking shoes, beach (water) shoes, snorkel gear, brimmed hat, suntan lotion, wash clothe, bottle of Woolite, plenty of film, camera (water proof if possible), wind breaker, back pack, flask to carry water, binoculars. If you are a diver, bring your own fins and regulator. Other dive equipment is available on board vessel. Leave expensive jewelry and high-heeled shoes at home. Carry medications, airline tickets, and passport, cash and travelers checks on your person – do not pack in suitcase, as there are occasional delays. Travel light – one suitcase and one carry-on bag per person, please. Vessel has laundry facilities.

AIR TRANSPORTATION

We will fly Fiji Airways Airbus Industrie A330-200 series aircraft non stop jet service from Los Angeles to Nadi, in the Fiji Islands, in economy class with 2 + 4 + 2 seating. From Nadi to Guadalcanal fly Solomon Airlines 767 jet service with 3 + 3 seating. Business class upgrade is available upon request at an additional cost of about \$5000 round trip with 2 + 2 + 2 seating. Frequent flyer awards cannot be used toward the purchase of this tour. Deviations from the group air space may result in higher fares. Omit airfare and reduce cost by \$1000 per person, but passengers will be responsible for getting to/from Henderson Field (Honiara), Guadalcanal, in time for cruise departure.

SINGLE TRAVELERS

When a tour member asks Valor Tours to seek a suitable roommate, we will do the best we can to oblige and find a colleague with common interests and habits. Valor Tours cannot be held responsible for incompatibility or guarantee a roommate. If a roommate cannot be found, the single supplement would apply.

NOT INCLUDED IN TOUR PACKAGE COST

Foreign airport departure taxes, meals not indicated in itineraries, passport fees, alcoholic beverages, phone calls, laundry, items of a personal nature, domestic airfare within the U.S., tips to crew, Travel cancellation insurance.

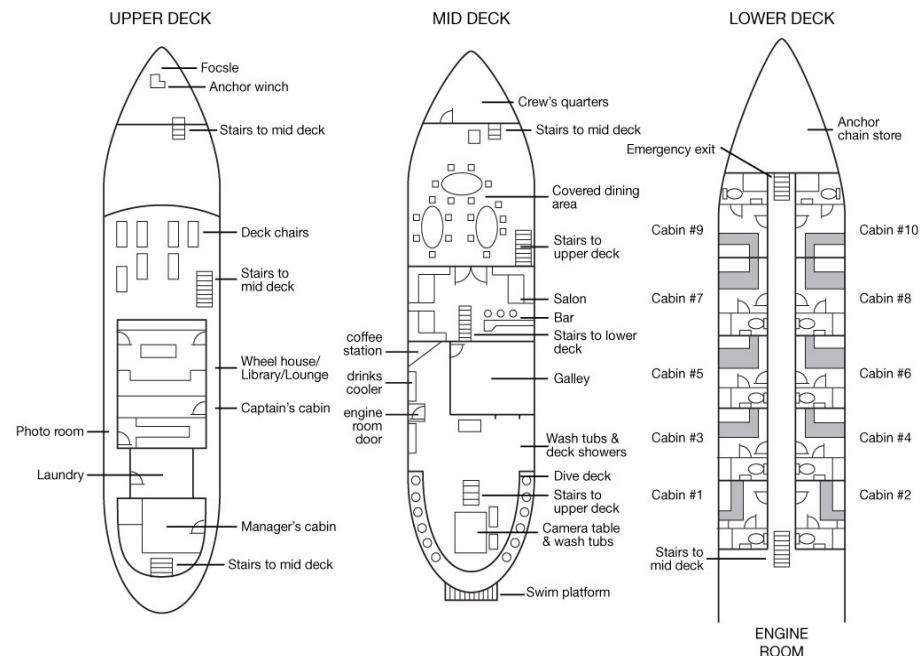

PASSENGERS WITH DISABILITIES

Due to the absence of handicap and disability laws in the countries we visit, and the expeditionary nature of our tours, we do not recommend participation by passengers with severe disabilities. A companion legally responsible for assisting throughout must accompany passengers with limited disabilities. There is no wheelchair access at all.

2015 group; Andy Giles far left.

In 1989 MV Bilikiki sailed as the first full service luxury live aboard dive vessel in the Solomon Islands. She was also one of the first in the world to offer private showers and toilets in every cabin. MV Bilikiki has 10 identical cabins, all with a double bed below and single above. Her large size and a hull that was built for South Pacific seas are two main reasons why guests from around the world still say that "the Bilikiki" is one of the most spacious and comfortable vessels that they have traveled on.

"I recently came back from the Guadalcanal tour and would like to thank you for a terrific experience. The tour was in every way professional and the experience gave me greater insight into what took place at Guadalcanal...I would highly recommend this tour to anyone. The Solomon Islanders are wonderful hosts as well and added greatly to my enjoyment of the trip. I will be going on future trips with Valor Tours and look forward to another great learning experience." John Payne
