### Mbonege Beach

With its crystal-clear water, white sandy beach, abundant marine life and lush tropical surrounding, Mbonege beach is one of the most scenic in the region. It is particularly popular with snorkelers and scuba divers. Kinugawa Maru, a Japanese WWII wreck is located in shallow waters just off the beach offering great snorkelling. A second deeper wreck, the Hirokawa Maru, is located at the east end of the beach.

### Bat Cave & Birdwatching

With 2 hours walk from Parangiju Lodge is the magical bat cave. Quite challenging when it's wet, but once you reach the cave you will be amazed with hundreds of bat species. Bird watching can be done along the way, with Guadalcanal bird species living along the trek. Always bring your binoculars as you don't want to miss some of these endemic species.
